At its 82nd plenary meeting, on 6 December 1995, the General Assembly, on the recommendation of the Special Political and Decolonization Committee (Fourth Committee), 45/ adopted the following text:

"1. The General Assembly, having considered the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to an item on the agenda of the Special Committee entitled 'Military activities and arrangements by colonial Powers in Territories under their administration', 46/ and recalling its resolution 1514 (XV) of 14 December 1960 and all other relevant resolutions and decisions of the United Nations relating to military activities in colonial and Non-Self-Governing Territories, reaffirms its strong conviction that military bases and installations in the Territories concerned could constitute an obstacle to the exercise by the people of those Territories of their right to self-determination, and reiterates its strong views that existing bases and installations, which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, should be withdrawn.

"2. Aware of the presence of such bases and installations in some of those Territories, the General Assembly urges the administering Powers concerned to continue to take all necessary measures not to involve those Territories in any offensive acts or interference against other States.

46/ A/50/23 (Part III), chap. VI. To be issued in final form in Official Records of the General Assembly, Fiftieth Session, Supplement No. 23 (A/50/23).

"3. The General Assembly reiterates its concern that military activities and arrangements by colonial Powers in Territories under their administration might run counter to the rights and interests of the colonial peoples concerned, especially their right to self-determination and independence. The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with its relevant resolutions.

"4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military installations. The large-scale utilization of the local resources for this purpose could adversely affect the economic development of the Territories concerned.

"6. The General Assembly takes note of the decision of some of the administering Powers to close or downsize some of those military bases in the Non-Self-Governing Territories.

"7. The General Assembly requests the Secretary-General to continue to inform world public opinion of those military activities and arrangements in colonial and Non-Self-Governing Territories which constitute an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples.

"8. The General Assembly requests the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples to continue to examine this question and to report thereon to the Assembly at its fifty-first session."

At its 82nd plenary meeting, on 6 December 1995, the General Assembly, on the recommendation of the Special Political and Decolonization Committee (Fourth Committee), 49/ adopted the following text as representing the consensus of the members of the Assembly:

"The General Assembly, recalling its decision 49/420 of 9 December 1994 and recalling at the same time that the statement agreed to by the Governments of Spain and the United Kingdom of Great Britain and Northern Ireland at Brussels on 27 November 1984 50/ stipulates, inter alia, the following:

'The establishment of a negotiating process aimed at overcoming all the differences between them over Gibraltar and at promoting cooperation on a mutually beneficial basis on economic, cultural, touristic, aviation, military and environmental matters. Both sides accept that the issues of sovereignty will be discussed in that process. The British Government will fully maintain its commitment to honour the wishes of the people of Gibraltar as set out in the preamble of the 1969 Constitution',

takes note of the fact that, as part of that process, the Ministers for Foreign Affairs of Spain and the United Kingdom of Great Britain and Northern Ireland hold annual meetings alternately in each capital, the most recent of which took place in London on 20 December 1994, and urges both Governments to continue their negotiations with the object of reaching a definitive solution to the problem of Gibraltar in the light of relevant resolutions of the General Assembly and in the spirit of the Charter of the United Nations."

ANNEX I

Organization of work of the Third Committee

A. Guidelines concerning time-limits of statements

1. In accordance with rule 106 of the rules of procedure of the General Assembly and paragraph 22 of decision 34/401 on the rationalization of the procedures and organization of the General Assembly, at the beginning of each session, the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990 and 46/140 of 17 December 1991, on the rationalization of the work of the Third Committee, statements made by delegations or on behalf of groups of delegations and by Secretariat officials, unless decided otherwise by the Committee at the beginning of the session, should not exceed 15 minutes. This time-limit will have to be applied with a degree of flexibility towards all speakers. With a view to saving time, all speakers are encouraged to exercise self-discipline, in particular delegations associated with group statements. For practical reasons, group statements are encouraged for the first day of the discussion of an item or sub-item. In this connection, it is important to emphasize the timely distribution of documentation in accordance with the rules of procedure of the Assembly, in order to enable delegations to inscribe themselves on the list of speakers at an early stage.

108/ A/50/625, para. 10.

B. Draft resolutions on reports of treaty bodies and reports of the Secretary-General on the status of the treaties

3. Reports of all treaty bodies will be submitted to the General Assembly in accordance with their respective legislative mandates. Where possible, it is recommended that separate draft resolutions on the status of the treaties should not be submitted but should be incorporated in the draft resolution relating to the report of the treaty body. In alternate years, the Committee should simply take note of the reports unless more substantive action is deemed appropriate.

C. Proposals emanating from subsidiary organs of the Economic and Social Council

4. The Economic and Social Council, in transmitting proposals to the General Assembly, should, to the extent possible, bear in mind the programme of work of the Third Committee.

D. Programme of work

An informal meeting of the Third Committee should be held immediately after the election of the members of its Bureau in order to consider the programme of work of the Committee on the basis of a draft to be prepared by the Secretariat and to consider other organizational aspects relating to the Committee's work, especially the status of documentation.
